MicroLite™

Portable Massage Chair Package

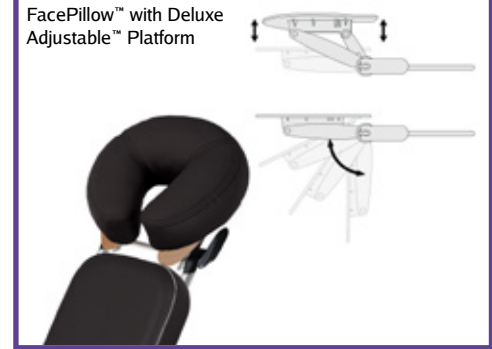

The Stronglite MicroLite is a must have for any on-the-go therapist. It is unbelievably strong for a chair that weighs only 16.5 lbs.; without any difficulty it supports a working weight of 300 lbs. You will love how easily this chair sets up and how quickly it is adjusted to support the ergonomic needs of both therapist and client. This chair captures portability, functionality, strength and style in one great package. Wrapped in a multi-layer foam cushioning system and comfortable yet durable 100% PVC vinyl your clients will never have felt this comfortable before!

Key Features:

- Adjustable Chest Pad
- Adjustable Seat
- Leg Support pads
