

# Limited Lifetime Warranty

EarthGear guarantees our complete line of portable massage tables and chairs against defects in material and craftsmanship for as long as you (the original purchaser) own the table, or five years after a model is discontinued. The foam and vinyl, as well as all removable parts are warranted for five years. This warranty does not cover damage caused by misuse, accidents, or neglect, and is limited to product repair or replacement at our discretion. Damage to the vinyl caused by the use of harsh chemical based cleaners is not covered under this warranty. The customer is responsible for shipping the item back to the factory for any warranty repair. EarthGear will return the repaired item (covered under the terms of this warranty) prepaid, at our expense. International customers are responsible for all shipping charges (inbound and outbound), as well as any applicable duties, and taxes.
